

Welcome to the Waiheke Lodge

Useful Things

1. WIFI password is “waihekelodge” includes the range extender
2. Media System – everything is operated from the Harmony box. If something gets stuck, power off at the back of the cabinet, power on and wait 7 minutes (for the Sky box) and start over.
3. The outside bath has unusual knobs :
 - TILT round knob for on and off – TURN it for hot and cold
 - The other flat knob switches between shower and bath
4. Cooker – switch the power switch “range” on at the wall before turning-on the gas so that the hob gas lighters work.
5. If you need help, please call Trevor on 0274 896 988

Things to please be careful of at the Lodge

1. **No smoking inside the Lodge please.** There are stainless steel buckets on the deck for stubs. Waiheke Island is very dry - to avoid a bush fire, only put stubs in the buckets please, please not on lawn or into the bush.
2. It is unsafe to walk across the private airfield alongside the Lodge. The airfield is active during daylight; you may not see or hear modern quiet aircraft until too late, please keep to the driveway.
3. Waiheke Island has no mains water and is drier than the mainland – our water is pure filtered rainwater or expensive bore water – please conserve water and please watch the outside bath is not left running.
4. Waiheke Island has no mains sewerage – only poo and paper in the loo please. Sanitary items and wet wipes block the waste system and costs \$600 each time to fix, please use the hands-free sanipod bins for sanitary items and the little waste bins for wet wipes and paper towels.
5. Recycling - Waiheke has no landfill – all waste is taken by barge off the island. Please use the recycling bins provided – see checkout instructions.
6. Bottles and rubbish items in the trash please, not on the lawn or the in the bush please – please keep Waiheke special
7. French windows – please make sure they are latched-back when open – Little gusts catch the doors and can break the glass.
8. Lights – the Lodge has hundreds of light bulbs – please switch off lights when you go out and or any that you are not using – many thanks
9. The Lodge is elevated and noise travels a long way from here – please keep noise down after 11:30pm – many thanks
10. Shoes-off inside policy unless you have a medical need – many thanks

Things we take out of the bond

Smoke smell in the building requires a deep clean of fabrics and carpets, we use professionals to clean this, please smoke and vape outside – many thanks.

We charge at costs for damage repairs and anything missing at Waiheke prices which are higher due to labour rates and shipping. If you break something, please let us know ASAP so we can get to and avoid cancelling a following booking which is chargeable. Please check you have not accidentally put something in your luggage - beach towels are most commonly taken home.

Any changes to the programming or wiring of the stereo system is charged-for to correct it to the point where it works again – please do not try to improve the stereo system.

Things to do around the Waiheke Lodge

Our web site Waihekelodge.co.nz/activities has plenty of ideas

1. The Batch winery – walking distance 7 mins south up the vineyard hill and through their back door – good food including vegetarian and vegan.
2. The cascades (small waterfalls) is a pleasant walk, especially after rain. From the Batch winery car park, walk downhill to where a small chain is across a path on the left, down the hill until you see the sign on the left – a nice cool bush walk in summer.
3. For some excitement and exercise go to Ecozip which is close-by to the north and a lot of fun – walking uphill is involved – give them a call, they may pick you up.
4. Closest beach is Rocky Bay – Just go down Carsons road and then sharp left to Gordons road. One area is a dotterel conservation area so dogs are not allowed on that part - there are picnic tables. Onetangi beach (a five minute drive) is the best long sandy beach on Waiheke with two good restaurants - called 372 and Ki Maha and one bad one – Charlies.
5. Whittaker’s music museum in Oneroa is good value (donation entry) – open 1pm to 4pm seven days a week with a live demo of instruments at 1:30 to 2:30pm - It links to the art gallery.
6. The Waiheke Lodge adjoins the regional park. Google “Forest heart walk Waiheke” for maps.
7. Waiheke Wings operates scenic flights on request from the private airstrip adjoining the Waiheke Lodge, just a five minute walk along the path. You can also fly to other airports around NZ from here – just ask.
8. Casita Miro is a quirky restaurant in Onetangi just a 10 minute drive away, good for tapas.
9. Hire an E-bike (Waiheke is hilly so don’t think about a regular bike unless you are an athlete) for a group of bikes, they can deliver to the Lodge.
10. Wine tours, the Explorer bus, fishing and dive trips are all available on Waiheke, checkout our web page.

欢迎来到怀赫科小屋 有用的东西

1. WIFI 密码为“waihekelodge”，包含范围扩展器
2. 媒体系统——一切都在 Harmony 盒子里操作。如果有东西卡住，请在机柜背面断电，打开电源并等待 7 分钟（对于 Sky box）并重新开始。
3. 外面的浴缸有不寻常的旋钮：
 - o TILT 圆形旋钮用于打开和关闭 - 转动它来控制冷热
 - o 另一个扁平旋钮在淋浴和浴缸之间切换
4. 灶具——在打开燃气之前，打开墙上的电源开关“范围”，以便灶具燃气打火机工作。
5. 如果您需要帮助，请致电 Trevor 0274 896 988

在小屋请注意的事项

1. 请在旅馆内禁止吸烟。甲板上有不锈钢桶用于存根。怀赫科岛非常干燥 - 为避免丛林火灾，请只将存根放入桶中，请勿放在草坪上或灌木丛中。
2. 穿过小屋旁边的私人机场是不安全的。机场在白天是活跃的；您可能不会看到或听到现代安静的飞机，直到为时已晚，请保持在车道上。
3. 怀赫科岛没有自来水，比大陆更干燥——我们的水是纯净的过滤雨水或昂贵的井水——请节约用水，请注意外面的浴池不要开着。
4. 怀赫科岛没有下水道——只有厕所里的便便和纸。卫生用品和湿纸巾堵塞了垃圾系统，每次修理费用为 600 美元，请使用免提 sanipod 垃圾箱存放卫生用品，使用小垃圾箱存放湿纸巾和纸巾。
5. 回收——怀赫科没有垃圾填埋场——所有的垃圾都由岛上的驳船运走。请使用提供的回收箱 - 请参阅结帐说明。
6. 请把瓶子和垃圾放在垃圾桶里，不要放在草坪或灌木丛中——请保持怀赫科特色
7. 落地窗——请确保它们在打开时被锁住——小风会夹住门，可能会打破玻璃。
8. 灯——小屋有数百个灯泡——外出时请关掉灯或任何你不使用的灯——非常感谢
9. 小屋位于高处，噪音从这里传播很远——晚上 11:30 后请保持噪音小——非常感谢
10. 除非您有医疗需要，否则在政策内脱鞋 - 非常感谢
11. 洗碗机仅使用粉末 - 液体不适用于洗碗机。

怀赫科小屋附近的活动 我们的网站

1. **Batch** 酒厂—从葡萄园山向南步行 7 分钟，穿过他们的后门—包括素食和纯素食在内的美食。
2. 小瀑布（小瀑布）是一种愉快的散步，尤其是在雨后。从 **Batch** 酒厂停车场，下坡走到一条小链条穿过左边一条小路的地方，下山直到看到左边的标志—夏季凉爽的丛林漫步。

4. 最近的海滩是 **Rocky Bay** - 沿着 **Carsons** 路走，然后向左急转至 **Gordons** 路。其中一个区域是多特雷尔保护区，因此不允许狗进入该区域 - 有野餐桌。 **Onetangi** 海滩（5 分钟车程）是怀赫科最好的长沙滩，有两家不错的餐厅 - 名为 **372** 和 **Ki Maha**，还有一家糟糕的餐厅 - **Charlies**。
5. 位于 **Oneroa** 的 **Whittaker** 音乐博物馆物超所值（捐赠入口）—每周 7 天下午 1 点至 4 点开放，下午 1:30 至 2:30 提供现场乐器演示—它链接到艺术画廊。
6. **Waiheke Lodge** 毗邻地区公园。谷歌“**Forest heart walk Waiheke**”地图。
7. **Waiheke Wings** 可应要求在毗邻 **Waiheke Lodge** 的私人飞机跑道上运营观光航班，沿路径步行仅需 5 分钟。您也可以从这里飞往新西兰周边的其他机场—请问。
8. **Casita Miro** 是 **Onetangi** 的一家古怪餐厅，距离酒店仅 10 分钟车程，非常适合小吃。
9. 为一组自行车租一辆电动自行车（怀赫科是丘陵地带，所以除非你是运动员，否则不要考虑普通自行车），他们可以送到旅馆。
10. **Waiheke** 提供葡萄酒之旅、**Explorer** 巴士、钓鱼和潜水之旅，请查看我们的网页。
